Covid Reporting and Return to School for Children after Isolating

Dear Parents and Carers,

In order to keep us **all** safe we have reviewed school procedures when returning to school after a period of isolation.

Please follow the steps below:

1. **Immediately** inform the school of a positive Covid test
2. If other **members in the household subsequently test positive for Covid**, **immediately** inform the school
3. **48 hours** before your isolation period is due to end, please contact the school with an update on the household
4. **24 hours** before the isolation period has ended, complete the form below for each family member if applicable and email it to the school office. This will enable us to check information, seek any further clarification and confirm whether your child can return to school
5. Any **delay in steps 3 and 4** may result in your child not being able to return to school after the isolation period ends

PLEASE REMEMBER

If your child is unwell or a member of the household is unwell, avoid school, Asymptomatic children and adults are of a concern and transmission rates are high.

Furthermore, the Leadership Team and the Governing Body will be following the DfE Guidance 'Restricting Attendance During The National Lockdown' whereby under PREVENTION for schools it states '**Minimise contact with individuals who are unwell by ensuring that those who have COVID-19 symptoms, or who have someone in their household who has COVID-19, do not attend school.**'

If you have any questions, please do not hesitate to contact the school office.

Thank you for your support.

Warmest regards,

Beatriz Melero
